Warum zu uns

Empower People. Create Success. At Tagueri, our people and teamwork take center stage. We are passionate about what we do, contribute proactively, and give our very best - both professionally and personally - every single day. Together, we celebrate our achievements, big and small, genuinely support one another, and take pride in each other's success. Advance your career with us and explore a wide range of opportunities to develop individually, share and expand your knowledge and ideas, and take ownership of your own projects.

Was wir gemeinsam vorhaben

- **Team Enablement:** Initiate team changes and guide process improvements using your experience and understanding of team dynamics.
- **Agile Coaching:** Support teams in adopting and evolving agile frameworks such as Scrum, Kanban, or SAFe.
- **Facilitation:** Design and facilitate workshops, retrospectives, and other agile ceremonies.
- **Value Stream Collaboration:** Contribute to one or more of our development teams and value streams with a focus on continuous delivery and improvement.
- **Stakeholder Management:** Communicate both internally and externally, and collaborate closely with project teams, stakeholders and customers.
