Warum zu uns

Empower People. Create Success. At Tagueri, our people and teamwork take center stage. We are passionate about what we do, contribute proactively, and give our very best - both professionally and personally - every single day. Together, we celebrate our achievements, big and small, genuinely support one another, and take pride in each other's success. Advance your career with us and explore a wide range of opportunities to develop individually, share and expand your knowledge and ideas, and take ownership of your own projects.

Was wir gemeinsam vorhaben

- **Provide support to our customers:** Deliver maintenance concepts, life cycle cost analyses, obsolescence information, and spare parts recommendations.
- **Create documentation:** Ensure clear and comprehensive documentation for the operation and maintenance of our systems.
- **Organize training:** Plan and deliver training sessions for users and maintenance teams, including Train-the-Trainer programs.
- **Lead the ILS team:** Take responsibility for WPM-ILS and ensure timely delivery of all ILS results within the project.
- **Coordinate stakeholders:** Work closely with customers, internal teams, and suppliers.
- **Report progress:** Prepare progress reports and manage opportunities and risks.
- **Act as the connecting link:** Ensure effective communication between all parties involved.
- **Stakeholder Management:** Communicate both internally and externally, and collaborate closely with project teams, stakeholders and customers.
